OF APPLIED ARTS AND TECHNOLOGY

5/18/76

Dear Harold,

"New Evidence On
Who Killed Shot Kennedy" -
fascinating! Perhaps, he
"left a note detailing his
reasons".

Bugliosi is doing
a farcical to a Ball R.H.
book by Turner / Huston on
The R.F.K. Case. Like Alkal
He is joining dubious "facts".
Of course actions like
those of The Senate Committee
precipitate "conversions" of
this type.

One can either assume
The Committee is making
or corrupt. Of one
selects corrupt, he often
goes The A.I.B. or C.C.I. route. Then
The Establishment Chief,
"The Establishment Chief", albeit
he forgets his own role
in the dialectic.
P.M. dial, in The
appendix alone, put

it out flat as to the
deception and continuing
cover-up. I get involved
The D.F., W.H., F.B.I. etc.
Insist the release of
data so that if they
have nothing to hide?

Why not new
investigations? The new
failure to re-open the
cases speaks for itself.

What is saddest is
that this was a good
Senate Committee.

Actions of this kind
make the A.I.B. or C.C.I.
appear logical by comparison.

Perhaps, I was naive
to have hoped for more.
But I did.

Sincerely,
